

Emergency Safety Guidelines

As our country continues to deal with the COVID-19 pandemic, we at MK Gas have taken measures to help ensure the safety of our employees as well as our customers. For the duration of the pandemic, we will follow the guidelines below as well as the most up-to-date guidelines as communicated from the government and regulatory agencies. We ask that all of our customers follow the Customer Safety Guidelines to the best of their abilities.

Customer Safety Guidelines:

Do not enter the store

Call the store number

- If they are filling an RV, direct them to a designated area to wait until the fill is complete
- Pay by card if possible, by calling the phone number provided
- If paying by cash, use the drop box provided
- If paying manually by card, do not enter the store – follow directions given
- If paying by cash and change is required, follow directions given
- Do not let your tank run out of gas – check the level and schedule a delivery. Please understand that we experience higher levels of calls during certain times of the month.

MK Gas Employee Safety Guidelines:

- Follow best available guidelines from the government and regulatory agencies
- Practice social distancing
- If you don't feel well, don't come to work
- If you exhibit symptoms of COVID-19, seek medical attention at once and do not come to work – manager notify Brady Office
- While at work, use nitrile gloves when handling money, credit/debit cards, etc.
- Use hand sanitizer and use sanitizing wipes to wipe down door handles, counters, and other common surfaces daily
- Drivers wipe down the cab of their trucks daily – steering wheels, shifters, etc.
- Drivers should not make enter homes during deliveries
- Drivers contact the customer via phone call if it is necessary to speak with them
- Use nitrile gloves when putting fuel in your vehicle
- Use hand sanitizer before coming back inside the store
